STATISTICAL PROFILES OF ONTARIO MANUFACTURING INDUSTRIES

1982

INDUSTRY & TRADE
ONTARIO

FOREWORD

This new edition brings to the user production statistics for 1979 and trade statistics for 1980, for each of the 174 Ontario manufacturing industries classified according to 3-digit or 4-digit SIC (Standard Industrial Classification).

This manual is produced primarily for internal use within the Ministry of Industry and Trade. However, additional copies have also been printed to meet with specific external requests.

Statistical aggregates of all Ontario manufacturing industries are shown on the following page. Statistics Canada is the source of data provided in this booklet.

To Find Individual Industry Pages

1. Use Index to find the name of industry listed in alphabetical order.
2. Identify its SIC number at right.
3. Locate the text according to SIC number.

Statistical tables in this publication have been prepared by the Market Analysis Group, Trade Policy and Analysis Branch, Trade Division.
